

I-many Government Pricing

I-many Government Pricing Functional Training

Course Name:	I-many Government Pricing, Functional Training
Course Location:	Client's training facility or at I-many's training facility
Course Audience:	Government Pricing Users and other Implementation team members
Number of Attendees:	1-10*
Course Duration:	2 days
Prerequisites:	None
Description:	This course will present a high-level overview of the I-many Government Pricing compliance solution and provide the skills for users to load, analyze and report on Government Pricing data. This course includes material on the following topics: Navigation and application overview, performing the basic administration on user profiles, mapping data sources, creating, processing and freezing models with business rule policies against source transaction sets; data scrub resolution, setting up and running reports, generating and loading data into the GP Pricing Repository and the set up and maintenance of FSS Tracking Customer Monitoring and FSS Violation Resolution. This course description is I-many's standard training. Training can be customized, and the number of days for the course duration may be adjusted.
Customized Training:	This course can be customized to fit your company's individual needs. Customized training requires a complete understanding of all requirements. I-many will conduct a scoping session(s) to review and confirm all training requirements. This session(s) will add days to the course duration and will be billed at the daily rate for the additional days required.
Training Inquiries:	If you have any questions regarding this training course or would like to schedule a training session, please contact us at 732-516-2664 or www.imany.com/pstraining .

* All training sessions are priced for delivery, with 10 or fewer participants per training session. For any training session in which the client has more than ten (10) participants seeking training, I-many reserves the right to provide an additional billable Instructor at the applicable rates plus expenses.
