

I-many Incentives

I-many Incentives Functional Training

Course Name:	I-many Incentives, Functional Training
Course Location:	Client's training facility or at I-many's training facility
Course Audience:	Functional and Technical Implementation team members
Number of Attendees:	1-10*
Course Duration:	1-2 days
Prerequisites:	None
Description:	This course will present an overview of the Incentives contract management system. Topics include entering customer and product data, creating agreements, processing claims, admin fees and prime vendor rebates, and validating sales tracings. This course description is I-many's standard training. Training can be customized, and the number of days for the course duration may be adjusted.
Customized Training:	This course can be customized to fit your company's individual needs. Customized training requires a complete understanding of all requirements. I-many will conduct a scoping session(s) to review and confirm all training requirements. This session(s) will add days to the course duration and will be billed at the daily rate for the additional days required.
Training Inquiries:	If you have any questions regarding this training course or would like to schedule a training session, please contact us at 732-516-2664 or www.imany.com/pstraining .

* All training sessions are priced for delivery, with 10 or fewer participants per training session. For any training session in which the client has more than ten (10) participants seeking training, I-many reserves the right to provide an additional billable Instructor at the applicable rates plus expenses.

I-many Incentives Technical Training

Course Name:	I-many Incentives, Technical Training
Course Location:	Client's training facility or at I-many's training facility
Course Audience:	Technical resources and implementation team members
Number of Attendees:	1-10*
Course Duration:	1 day
Prerequisites:	None
Description:	<p>This course will present a high-level overview of the I-many Incentives architecture and data model and provide the tools and step-by-step walk-through to help IT professionals and DBA's manage and support the I-many Incentives environment. This course includes material on the following topics: Navigation and application overview, Incentives configuration and application components, set up and administration of Incentives users in an Oracle environment, importing/exporting the Incentives database, the uses and benefits of the Incentives Company Object and the Incentives Monitor, and an overview of the Incentives interface and conversion process. This course description is I-many's standard training. Training can be customized, and the number of days for the course duration may be adjusted.</p>
